

PULSAR

Pulsar is a surface mount robust LED weatherproof luminaire, small depth and offers wide spacings in parking garages, industrial facilities, service areas, and multipurpose centers, designed for harsh environments, modular gear tray can be replaceable for maintenance or upgradable for future needs, completely sealed luminaire is built to withstand moisture, airborne contaminants and dust, different sizes and wattages available for wide range of applications, supplied with weatherproof cable glands.

Material- Highly robust self-extinguishing PC body, anti-yellowing PC diffuser with stainless steel clips.

Finish- Grey finish

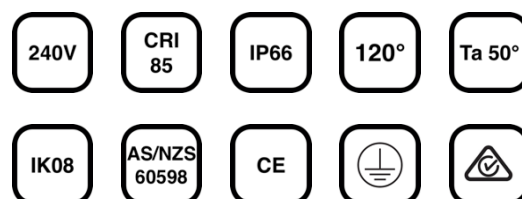

Efficacy- 124lm/W

Input voltage- 240V 50/60Hz

Dimming- 1-10V, DALI, DSI, or motion sensor.

Life: 50,000 Hours L70

Warranty: 3 years
